

The Special Edition 8010 features all the necessities with a little extra elbow room. Equipped with a round shower and larger wardrobe, the 8' wide living quarters boasts beautifully crafted knotty alder cabinets, elegant soft touch walls and ceilings, a bathroom pocket door, glass cook top, hidden screen door, 7'6" height, and a sofa that jack knifes into a bed; and, the recessed LED lights draw less electricity while staying cooler than traditional RV lights. The horse area features mangers, lined and insulated walls in the horse area, face guards on the drop feed doors, lower divider on the first stall, roomy 42" wide stalls, and a collapsible, removable rear tack.
