

Stockman

BUMPER PULL

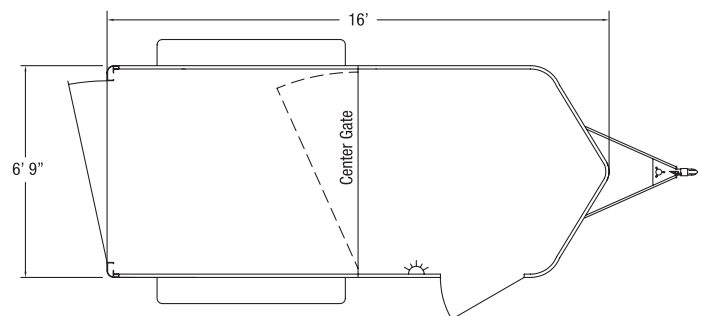

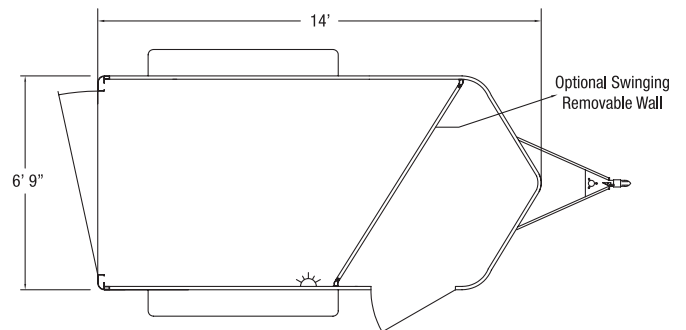

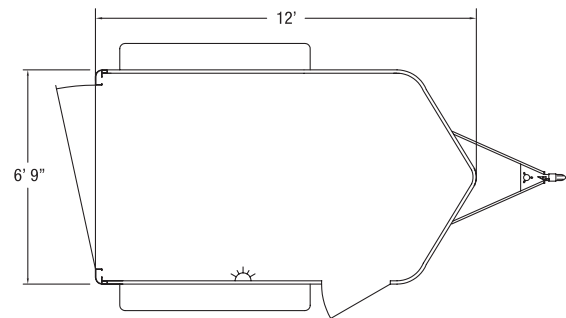

The Stockman is an all aluminum bumper pull stock trailer designed with value in mind. Available in 12', 14' and 16' lengths this very versatile trailer is standard 7' tall and 6' 9" wide. The 16' is standard with a center divide gate, which is also available in both the 12' and 14', and can be built at an angle to use the front area for storage and tack. The Stockman is built with the same quality and standards that people have come to expect from Sundowner. This trailer is perfect for hauling with smaller tow vehicles.
